

# Awards Program 2010

We are now accepting entries for our Awards program to be held Saturday June 19, 2010 at an exciting new location –

**On a private beach in Corona del Mar!**

A detailed announcement for the dinner will be coming soon. But we want to give you as much time as possible to get your entries measured. We encourage everyone in the chapter to participate in the exciting event. There are three (3) categories in which animals may be entered:

***North America, Africa, and the rest of the hunting world  
(South Pacific, Asia, South America, Europe and Exotics).***

Awards will be given for First, Second, and Third place in each category and a plaque will be given for each entry received. Judging will be by an impartial panel of experienced, worldwide hunters through the SCI Trophy Awards Program.

## **THE FOLLOWING WILL APPLY TO ALL ENTRIES**

1. Applicant must be a current member of SCI Orange County and a member when the animal was taken.
2. Animal must have been taken during the 2009 calendar year or was taken in 2008 but not entered into the 2009 program due to the animal being out of the country.
3. Each entry must be accompanied by an SCI official score sheet signed by an official SCI measurer.
4. Each entry must be accompanied by a photograph of the hunter and the animal.
5. Each entry must be accompanied by entry fee of \$35.00 for each animal.
6. **Deadline for your entry or entries is May 21, 2010.**

*This is another of the many events that our chapter puts on for our members, but we need YOU to make it a SUCCESS. So don't wait, get those animals scored, find your photos and submit your entry TODAY!*
